

SONOMA TAEKWONDO CENTER

Intent to Promote to New Belt Level

Notice of Intent to Promote for: _____

Dear Parents and Teachers,

Our main objective at **Sonoma Taekwondo Center** is to help you develop a well rounded child, not only here at **STC**, but within our community as well.

Our school teaches the principles of *Black Belt Excellence means Personal Excellence*. Not only do students become black belts in martial arts, but they also strive to become academic black belts and eventually, corporate black belts or black belt employees. We use black belt as a metaphor for personal excellence.

In order to monitor our student's progress towards these goals, we respectfully request that you complete the following. Please return this form to the student as soon as possible. They cannot be promoted to their new rank until all of their paper work is turned in.

1. This student is respectful, doing satisfactory work and receiving passing grades.
